Hi all,

Just a heads up that we may have to brief the acting Director on TX hornshell. Shawn has reached out to Susan Oetker, who would likely lead it, and Deb Hill. Susan O is out on leave until next week but I will text her if something is scheduled.

Hello!

Sarah Q just stopped by to let me know that Greg Sheehan (Acting Director) would like a briefing on Texas hornshell. This is just a heads-up to you. We have no information on the type of briefing -- he may just want to chat with Gary.

When/if I get more info I will share with you. Please don't call Gary with questions. :-)

We don't need anything from you right now, so no need to put anything together. I was just asked to give you a heads up that we got the ask and are waiting to hear more.

Thanks,
Caitlin
